Blank Park Zoo

With over 1,000 furry, finned and feathered creatures, lush botanical gardens and a growing number of events and attractions, there's always something new to see and do at the Zoo! You'll find a surprise around every corner as you follow the winding path and manicured gardens. Experience the wonders of nature found in the Wilds of Africa and the Australian Outback. The indoor Discovery Center will amaze you with its mountainous and tropical habitats filled with animals, birds, fish and exotic plants. We are open all year round so come out and do the Zoo!

Living History Farms

At Living History Farms, you can experience first-hand what it was like to live on an Ioway Indian farm, a pioneer farmstead, in a frontier town and on a horse-powered farm from 100 years ago. Then, discover 21st century farming with an interactive exhibit on modern farming! The sights, sounds, smells and hands-on activities will immerse you in the past. Churn butter. Make wooden shingles. Build a split-rail fence. Dig a canoe. Grab your free pair of work gloves and get your grip on history at Living History Farms.

Science Center of Iowa

At the Science Center of Iowa, the experience is yours! From the inner workings of the human body to the outer reaches of the solar system, inspire your curiosity with live programs and hands-on activities in SCI's six experience platforms. Experience the big picture in the Blank IMAX" Dome Theater or journey through the cosmos in SCI's 50-foot Star Theater. Interact, experiment and explore and see what you and science can do! With all that the Science Center of Iowa has to offer, one visit is never enough.

Comfort Suites at Living History Farms

In a mass-produced, cookie-cutter world, with hotel room after identical hotel room, Heart of America Inns offers travelers something completely different. We recognize that today's motorcoach traveler desires a total experience, not just a product. Heart of America Inns are uniquely distinct with custom designed decor and furnishings. Hotels are located less than a mile off major interstates for easy access to all the area's attractions.

2002 Platinum Award Winner from Choice Hotels!
